Hon. William J. Casey
Director of Central Intelligence
Central Intelligence Agency
Washington, D.C. 20505

Dear Bill,

Pursuant to our conversation, I have taken the liberty of enclosing the resume of [redacted] who currently resides in Washington, D.C. [redacted]

As you can see, David has had an outstanding career in the international sphere with special emphasis given to "political risk analysis."

I have been advised that the CIA is aware of [redacted] experience with Enserch Corporation, as it relates to various analyses that he has made. His record [redacted] has been exemplary and it would seem to me that the Agency itself would find appropriate use for his talents. I am delighted that someone with his talents has opted for service with our government, lest we lose him to the private sector.

I am certain that David would appreciate your advice in this matter, and anything you could do to help him would be deeply appreciated.

Sincerely,

Alfonse D'Amato
